Dear Sir or Madam,

I am writing to you as a candidate for the visual analysis researcher position in your company.

I am currently finishing my fifth year in the VisGraph Lab of Hong Kong University of Science and Technology. My advisor is Prof. Huamin Qu. I anticipate finishing my graduate work at the end of this year.

The majority of my work is related to the . Besides that, I was also engaged in projects on spatial-temporal data visualization with partners in industry. I believe my

My resume attached provides additional information on my background and other projects that i have been working on during my PhD study. Currently I am visitor at Georgia Tech. I will return to Hong Kong on Dec. 11. It might be better to arrange the interview before that.

Thank you for your consideration. I'm looking forward to hearing from you.

Sincerely yours,

Panpan Xu
